Milestones & Memories

SARASBAGH VISIT – PUNE BALMAHOTSAV

Celebrating Childhood Through Play and Creativity

14th Pune Balmahotsav 2025 | Sarasbagh, Pune

Our young children enthusiastically participated in the 14th Pune Balmahotsav, jointly organized by the Pune Municipal Corporation and ICDS, at Sarasbagh. The festival offered a joyful space for children to engage in activities supporting physical, mental, and creative development.

Children participated in crawling through colorful tunnels, finger painting, making toys from waste materials, and interactive play experiences. Special attractions such as the Self-Love photo frame, stilt walkers, clowns, and parent-child activities added to the excitement, making the event memorable for children, parents, and teachers.

EVENT HIGHLIGHTS

- Developmental and creative activities
- Parent, teacher, and child participation
- Fun-filled, inclusive environment

IMPACT & APPRECIATION

The event strengthened children's confidence, creativity, and social interaction. It also reinforced the importance of joyful learning and community engagement in early childhood development.

HOME-AS-A-LEARNING- SPACE (HAALS) PROJECT

Creating Enabling Learning Environments at Home

Community Homes | December 2025

As part of the Home-as-a-Learning-SPACE (HAALS) Project, focused efforts were made to enhance the physical home environments of young children to support early childhood development.

Age-appropriate arrangements were introduced to help children achieve developmental milestones through everyday activities. Caregivers were encouraged to actively participate, ensuring learning continues naturally within the home setting.

Event Highlights

- Home environment enhancement
- Focus on early developmental milestones
- Caregiver engagement in learning
- Early Identification and Support Needs
- Promotion of Holistic Child Development

IMPACT & APPRECIATION

The initiative strengthened early learning by transforming homes into supportive and stimulating spaces. It contributed to improved developmental outcomes by encouraging age-appropriate activities, strengthening caregiver involvement, and creating consistent learning routines that supported children's cognitive, social, emotional, and physical growth within the home environment.
